Fear of Bearish Crop Report Influences Corn - Provisions Firm on Foreign Buying. 4

Chicago, Nov. 9 .- Finding no encouragement in the day's news to look for either a foreign demand or a curtailment of the domestic supply, the majority of wheat traders sold liberally of both May and Dec. to-day, the latter closing with a net loss of %c. Dec. corn and oats each closed Ac under Saturday, but provisions ruled firm, the Jan. product closing 24/9 5c to 7½c improved. WHEAT.

Dec. wheat opened %c to %c lower at 78c to 77%c under the influence of easy cables and liberal Northwest receipts, together with the fact that a large quantity of Duluth wheat was reported on its way to this market. Heavy world's shipments and an unexpectedly large increase in the visible augmented the initial pessimism, and throughout the remainder of the session there was little demand save that coming from shorts with profits in sight. All options closed weak, Dec. %c down at 77:2077%c. World's shipments were 11.404.00, and seaboard closerances 20:000 bu. The visible increased 2.539,000 while the amount on passage decreased 1.239,000. Primary receipts aggregated 1.695,000 bis. compared with 1.856,000 last year. Minneapolis. Chicago and Duluth receipts reached a total of 1.480 cars, against 1.445 last week and 1.357 a vear ago.

CORN. to this market. Heavy world's shipments

CORN. Anticipation of a bearish Government report to-morrow, casy cables and favorable weather depressed corn, but the market was not an active one. Selling was chiefly for the local account and prices held fairly well after the opening decline, Dec. closing 3c down at 4256435c. Local receipts were 18 cars.

With increasing receipts and a slow cash demand as a bearigh basis, outs responded readily to the wheat weakness early but steadled at the bottom and closed with some of the early loss recovered. Dec. 3cc down at 345,25c. The first selling smacked strongly of a raid, with a local long line the objective. Commission houses rought somewhat freely, which had the effect of discouraging liberality in selling from other quarters. Receipts were 29 cars.
